

FORTY-NINERS IN ACTION; CASUALTIES INCLUDE FRANK MITCHELL OF EDGERTON

"Forty-Niners have been in action. The official list of wounded to-day gives the names of Private G. E. Hodson of Edmonton, Ernest Dayin of Manly, Alberta, and Frank Mitchell of Edgerton, Alberta." The preceding was the sense of a special wire to The Star which came shortly before noon today. Many anxious enquiries were received as to whether or not the man Hodson would be Lieut. George L. Hudson, of Wainwright, fortunately there is nothing that would lead to this belief. Frank Mitchell of Edgerton is well known in town, he having been engaged in farm work near Edgerton and a frequent visitor to Wainwright. In the above picture he is seen sitting, the third man on the left of the bottom row. The photograph is a portion of Wainwright's contribution to the Empire. The majority are now in the firing line in the western theatre of war.

Big Attendance Is Requested At Meet On Thursday Evening

Every person interested in the local organization of the Canadian Patriotic fund is requested to be in attendance at a meeting to be held purposely for them in the council chamber at 8 o'clock on Thursday evening of this week. A meeting of the executive was held in the council chamber on Monday evening when it was thought fully advisable to obtain an expression from representative citizens as to the campaign for funds in Wainwright. The meeting will be an important one on an important subject. Daughters of the Empire are also asked to be present at the meeting.

At the session held on Monday night, the executive out-

LOCAL RED CROSS DOING GOOD WORK

With Mrs. S. R. Bowerman president, Mrs. W. W. Yeager, vice president and Mrs. Middlemass its secretary-treasurer, a branch of the Canadian Red Cross Fund has been organized in Wainwright and at the sale of home cooking conducted on Saturday of last week, the local branch collected no less than \$36 with which to aid Red Cross work. One of the contributors was Mr. George Smith who gave a donation of \$5. For the music furnished at the affair on Saturday, the society is indebted to Miss E. L. Moore and Miss M. Yeager.

Miss Bessie Aldridge of Edmonton is visiting friends in Wainwright for a few days.

Mr. and Mrs. Strange and family left Wainwright for Edmonton where they will reside in future.

It is said that Donald Pawsey sent in grain to Edgerton last week which graded No. 1 hard. This high quality production came from Mr. Pawsey's farm near Edgerton.

Between forty and forty-five thousand bushels, of which 15,000 are oats and the remainder in wheat have been garnered this year by Richard Aykroyd whose farm is located north of town. Mr. Aykroyd had about 800 acres in crop, some 50 acres being sown in green feed.

Information received from J. McLeod, Heath is to the effect that 80 loads of grain were shipped from Heath a week ago on Friday and 65 loads on the Saturday following. J. B. Wallace and J. McLeod and Company are acting as purchasing agents.

lined many things in connection with the raising of \$4,500 from the Wainwright constituency. It set aside Monday next, November 1st, as the Campaign Day in Wainwright and left further arrangements in this regard in abeyance until Thursday evening's meeting. And in addition to this, it began its work of organization in connection with all points concerned in the constituency. All those interested are urged to attend Thursday evening's meeting.

ORGANIZATION MEETING

Following an enthusiastic address on patriotism and a general outline as to the past work and the present needs of the Canadian Patriotic Fund by John Blue, secretary of the fund for Northern Alberta, a nominating committee met on Wednesday evening of last week and elected officers for work in connection with the raising of \$4,500 from the constituency of Wainwright. G. H. Beaudry was elected president, W. F. Webb, secretary, E. K. Smith, treasurer and committee members in the persons of H. Y. Pawling and W. S. Brodie. These officials were invested with the power to add to their number.

Mr. John Blue's address was one of the most stirring ever heard here and the conclusion of his words left the rather small audience present with a feeling of enthusiasm that they

CONCERT COMPANY TO VISIT WAINWRIGHT

Arrangements have been made by the management of the Elite Theatre Company for the appearance of the Dixie Jubilee Concert Company at the theatre on Wednesday evening, November 10th. The company, which is an old established one, has made many appearances in various parts of Canada and has created the reputation of being the best colored talent in the world. The program they will give here will be an extensive one and will include choruses, quartets, trios, duo's and solos. Their concert in Wainwright is expected to be greeted by a large audience.

It is announced by the secretary or the local Womens' Institute that on each Saturday afternoon from now onward, a lady will be present at the council chamber from one until three o'clock, to hand out and take back work that is being done for the society.

INTERRED AT CARNDUFF

The funeral of the late Miss Reta Ross took place at Carnduff, Sask., on Monday afternoon, interment being made in the Carnduff cemetery where the bereaved parents have two other children buried. Mrs. Ross, accompanied by the Misses Dorothy and Gladys with Master Elvis returned from Edmonton on Sunday. Mr. P. E. Ross, the father, was in attendance at the funeral.

SPECIAL STAR WAR SERVICE

Casualty lists issued on Monday which gave the name of Lieut. R. H. Cloves among the wounded, evidenced that the 49th battalion, of which so many Wainwright men are members had been in action. Fully realizing the anxiety by local people for news of the Forty-Niners, The Star has made arrangements for a special telegraphic service that will tell of any special news in connection with the doings of the 49th battalion. Wires that may come through at various times will be immediately posted on the bulletin board in front of The Star office.

METHODIST CHURCH SERVICE

The anniversary service in the Methodist church on Sunday evening was well attended, so well in fact, that every available seat was taken. To co-operate in making the service a success, Presbyterians eliminated their evening service and were present in full force. Preacher of the evening was Rev. W. A. Lewis of Edmonton, who gave a well thought out address. The musical portion of the service included a solo by Rev. R. K. Swenerton and an anthem by the choir. Following the conclusion of the service, a collection was taken in aid of church funds.

The Literary, Social, and Debating club of St. Andrew's Presbyterian church will meet next Tuesday evening at 8 o'clock. The program is in the hands of the social committee. A good time is assured to all who will attend.

The Epworth League of Grace Methodist church will meet next Monday night at 8 o'clock. The meeting will be in charge of the Christian Endeavor department and the subject will be: "What it means to be a Christian." A cordial invitation is extended to all.

G. Wilbraham of the Point Farm, south of Irma, was a visitor in Wainwright on Monday. Mr. Wilbraham, who is not a long resident of the Irma district, is at present building a barn and making many improvements to his premises. The past season was his initial one of farming in this section and the results of his efforts have given him every satisfaction.

DETAILS COMPLETE FOR CONSTRUCTION NARROWS BRIDGE

Signatures for the right-of-way for the approaches have been secured and everything is now in order for the commencement of operations in the construction of the much needed bridge across the narrows of Baxter Lake.

Mayor G. H. Beaudry who has done much toward the acquisition of the appropriation for the structure, said to-day that the people were indebted to Hon. Charles Stuart, minister of public works for the activity shown and for the completion of necessary negotiations needed to bring the proposal to its present stage.

Information received to-day is that work will commence immediately and that the bridge, which will cost in the neighborhood of \$5,000, will be completed before Christmas. Lumber is already here and arrangements have been made in connection with the bridge gang.

COMMITTEE TO ENQUIRE INTO RELIEF QUESTION

To find out what the government has done or proposes to do to make full enquiries as to what action is being taken in Winnipeg and Calgary in regard to the relief of disabled soldiers was the out come of a meeting held in Castle hall on Monday evening last which had as its direct purpose the consideration of giving aid to Wainwright's fighting men after they return from the war zone.

The meeting was one called by the local branch of the Sons of England and delegates in attendance included representatives from all the fraternal lodges in town. Full discussion as to the feasibility of the proposed relief was entered into and while all present considered the proposal a necessary and important one, it was thought wise to hold action in abeyance until full information had been obtained as to what is being done in other centres.

A meeting for further consideration will be held on Nov. 22nd when it is hoped that definite material will be at hand to prompt action either one way or the other. It was suggested at Monday night's meeting that each lodge be represented by at least two delegates. The delegates present were: J. H. Dawson, Masonic Lodge; H. Y. Pawling, K. P. Lodge; P. Dewar, Foresters; R. Kenny, Oddfellows, and H. A. Cook of the Orangemen and a full committee of the S. O. E.

DEMAND YOUNG STOCK

That a good quality of young stocks in demand was the opinion expressed by J. W. Stuart after he returned from Irma following a sale on Saturday afternoon. He says that the demand for this variety is more pronounced than ever before, which, he said, gave good evidence that money is to be made in the raising of stock of a good quality. The sale in Irma on Saturday afternoon was a well attended one and cash was received for the majority of offerings.

THANKS FOR RECEPTION

Miss Mary V. Kirkpatrick has received the following letter in regard to the recent reception to soldiers: "I am sending you my picture and here express many thanks for your kind thoughts and gifts given while going through Wainwright. They will be long remembered by the boys of the 50th battalion. Write me sometimes. Your soldier boy, Pte. M. R. Bartman."

SOLDIER LOSES HAT

Miss Mildred King has received the following: "Would you please advertise for military hat dropped from train one half mile east of Wainwright depot and obtain the two pictures inside, which I value." The communication comes from J. F. Arncliffe, a member of the 50th battalion which passed through Wainwright on its way east a few days ago. The finder should communicate with Miss King or The Star.

GOVERNMENT WILL SUPPLY GOOD SEED

By instructions of the Hon. Minister of Agriculture, a free distribution of superior sorts of grain and potatoes will be made during the coming winter and spring to Canadian farmers. The samples will consist of spring wheat (about 5 lbs.), white oats (about 1 lb.), and field peas (about 5 lbs.). These will be sent out from Ottawa.

A distribution of potatoes (in 3 lbs. samples) will be sent out from Ottawa.

A distribution of potatoes (in 3 lbs. samples) will be carried on from several of the Experimental Farms, the Central Farm at Ottawa supplying only the provinces of Ontario and Quebec.

Each application must be separate and must be signed by the applicant. Only one sample of grain and one of potatoes can be sent to each farm. If both samples are asked for in the same letter only one will be sent. Applications on any kind of printed form cannot be accepted.

Methodist Anniversary Was Success; Much Of Church Debt Eliminated

Successful in its every phase was the anniversary celebration conducted in the Elite Theatre on Monday evening. In the neighborhood of 300 persons sat down to supper prepared by the Ladies' Aid, while the audience that presented itself at the concert which followed, was one that filled the theatre almost to capacity. To every person responsible, particularly to Rev. R. K. Swenerton, pastor, must go the appreciation of all. The affair, as a whole, constituted the means for an enjoyable social time for the church history.

To meet the church obligations, the supper and entertainment resulted in an amount approximating \$116.05 being raised. In addition to this, the campaign during the week-end and at the Sunday services netted an additional \$115.10 for the treasury. With obligations of the church amounting to \$308, the money thus received will aid considerably toward the elimination of the standing church debt.

The supper on Monday evening was much enjoyed and the concert program was of such excellence as to receive the commendation of all. Opening with "O Canada" by the choir and a piano duet by the Misses Mohr and Yeager, the program

An enjoyable musical selection was given at the Trafalgar social by Mr. J. B. Maddor.

Mrs. Thomas Murphy will receive on the first and third Monday of each month during the winter.

Mr. Rennie Hayward and wife, Mrs. Cash and Miss Emerson, all of Vermillion, have been visiting Mr. and Mrs. Cook and family.

Mrs. Wilcox of the G. H. Beaudry Company is at present confined in an Edmonton hospital.

Local residents are reminded of the social to be held in Trafalgar school on Saturday next. Cars will be run from the office of Drs. Middlemass & Little. Return fare will be 25 cents.

The marriage took place on Monday afternoon at the home of Mr. and Mrs. W. G. Stott, Queen street, of Frank R. Stott of Wainwright to Miss Louise Trewartha of Irma. The ceremony was performed by Rev. R. Swenerton.

followed with an address by the chairman, Rev. W. A. Lewis. Five minute addresses were also given by Rev. Asister and Rev. T. Murphy, both of whom brought cheerful messages from the denominations they represent. Other numbers on the program included a vocal solo by Miss J. H. Henry, a solo by Miss Steele, a piano solo by Mrs. Bette, vocal solos by Rev. R. K. Swenerton, violin solo by Mrs. Ganderton, an exhibition of club swinging by Mrs. Halstead and a chorus by the choir entitled: "Come Where the Lilies Bloom".

WAINWRIGHT AGAIN ENTERTAINS TROOPS

Two troop trains carrying the 50th Battalion from Calgary passed through Wainwright on Thursday morning last for the east. As has been the order on the arrival of previous troop trains, Wainwright Girl Guides, the Daughters of the Empire and Boy Cadets were present at the station to give the boys a reception. And like those that preceded it, the greeting given the boys was one highly appreciated.

Cigarettes and candies to the value of a little over \$11 purchased with money collected on the station platform, were freely given as were also cakes and pastry made by Daughters of the Empire. Showing their appreciation of local efforts, the bugle band from both trains gave a portrayal of its talent on the station platform.

MANY FROM TOWN AT TRAFALGAR SOCIAL

A large number of persons from Wainwright, in addition to a full assembly of those resident within the district, attended the concert and social held on Thursday evening of last week in Trafalgar.

The evening's entertainment opened with the singing of "O Canada" by a chorus of Trafalgar school children and was followed with an enjoyable piano duet by Miss L. Cross and Rev. R. K. Swenerton. In the course of the latter, however, and just as it was nearing its termination, an unfortunate and not serious incident happened. Some thought the building had come under the devastating wave of a cyclonic wind.

The noise, the crash, the roars and shrieks, have those with a collected mind that impression.

musical school committees a series of concerts to be held in the little town of the home of the war veterans. It is the belief of this well-known virtuoso that many excellent soloists have been overlooked to give concerts during the winter months. When work on the farm is over, the young men of the town of Muskegon have little to do o' nights and the low-priced concert would fill the bill. Mr. H. J. H. has just learned that the piano houses would cooperate in such a plan and furnish the instruments free of charge, and the cost. According to Mr. H. J. H., such concerts would have a two-fold purpose, not only creating a new interest in the piano but also a demand for instruments.—Can Journal of Music.

SINCERE SYMPATHY IS EXTENDED TO MR. AND MRS. P. E. ROSS AND FAMILY

SINCERE SYMPATHY will be expressed by the townspeople generally to Mr. and Mrs. P. E. Ross in the sad loss of their twenty year old daughter, Reta. To be blessed with a daughter, to watch that daughter grow, to see her almost reach that beautiful stage of womanhood and then to have her snatched from them in her age of maturity is indeed a hard blow to loving parents. The loss of a child of tender years is surely sad enough; how much harder then must the loss be of an offspring that had lived and been loved for twenty years? To Mr. and Mrs. Ross, to the Misses Dorothy and Gladys and Master Elvis, The STAR extends every sympathy.

THE APPEAL TO THE WAINWRIGHT CONSTITUENCY

MR. JOHN BLUES APPEAL TO THE PEOPLE of the Wainwright constituency to raise \$4,500 as their contribution to the Canadian Patriotic fund must be accepted in its true light by every soul. There seems hardly any doubt at the present time but what the money can be easily raised within the specified time for doubtful it is if the whole dominion contains a constituency that is more patriotic than is that of Wainwright.

It is the worthiness of the cause, however, that should prompt the people of this district to give liberally and well. Is there anything existing at the present time that could be more worthy than that which has as its principle the care of the wives and children of those men who have left their homes to participate in the bloody battles for freedom and right that are now being fought on the fields of Europe and further east?

As Mr. John Blue said: "To be sure, we have no written contract with the soldier that we will continue to provide for his wife and children, but he has gone to the front with implicit faith that we will not repudiate our obligation, and this pledge must not be broken."

Indeed, if The STAR knows the people of the Wainwright constituency well, and it believes it does, the pledge will not be cast aside. The STAR believes that the people realise how much these fighting men are doing for those who remain at home and with this belief the STAR makes the statement that when the appeal to the people is formally made that not only will the constituency raise the \$4,500 asked for, but they will far eclipse the amount. And in so doing the people of Wainwright will merely be showing their appreciation of the work that is now being done for them to protect their homes, their wives and children, their freedom and their liberty.

THE KING'S APPEAL FOR MEN AND MORE MEN

THE APPEAL OF KING GEORGE which came to us on Friday last gave us a good idea as to the seriousness of the present conflict. "More men and yet more men are wanted to keep my armies in the field and, through them, to secure victory and an enduring peace" were the words used by Britain's monarch. The King pointed out that this was a grave moment in the struggle and asked men of all classes to come forward voluntarily and do their part.

But with such a lack of recruiting in England and with such a cry for men, why is it that recruits from Canada, who have been in training for many months past and who have been ready to do their share in the trenches, are not transported to their ultimate destination? This is the question that is being asked at this time. It is a question also that is being held in mind by many prospective recruits in Canada and as a consequence, is sadly impeding the progress of recruiting in this Dominion.

Excellent as has been the answer to the call in Canada, it would have been far better if men had received the assurance that their transportation to fields of activity would have been effected as expeditiously as possible. That Canadians do not want to give up good positions and enlist and then find that they have to stay in Canada month after month while the cry is being made for men, is a fact that cannot be doubted. When men in this Dominion enlist, they enlist because they want to fight. This is the reason they give up their homes and positions.

THE MURDER OF MISS CAVELL

MISS CAVELL'S BRUTAL EXECUTION at the hands of the unspeakable Hun has made the civilized world shudder with horror. The Germans cannot hope to conceal, nor can they expect to palliate, this barbaric outrage, because the circumstances are vouched for by the American ambassador at Brussels, Brand Whitlock, with whom the Teutons deliberately and insultingly broke faith when he petitioned for clemency for the ill-fated English girl.

The Turk massacres the Armenians because he knows no better, and because it is his nature so to do. The German murders women and children, and worse, because it is his nature so to do, but because he does not know better. The brutal trait in him comes to the surface.

Can the world afford to have the debased Hun triumph in this war?—News Telegram.

NOTES AND COMMENT

The Wilson administration is enjoying the pacifists and disgusting the militarists with its army programme. One side complains that it is too much and the other that it is not enough. Twice over thus. The compromiser invariably falls between two stools.

That Hun homesteader up near Hanna who built earthworks and otherwise fortified his farm is not more crazy than the Kaiser, who is trying to do the same thing on a world-wide scale.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion, in part it
own, Saskatchewan and Alberta and the Yukon
territory, the Northwest Territories and in
a portion of the province of British Columbia,
may be leased for a term of twenty-one years
at an annual rental of \$1 an acre. Not more
than 2.50 acres will be leased to one applicant.
Application for a lease must be made by the
applicant in person to the Agent or Sub-Agent
of the district in which the rights applied for
are situated.

In surveyed territory the land may be es-
tablished by sections, or legal subdivisions of
sections, and in unsurveyed territory the tract
applied for shall be stated by the applicant
itself.

Each application must be accompanied by
a fee of \$5 which will be refunded if the rights
applied for are not available, but not other-
wise. A royalty shall be paid on the merchant-
able output of the mine at the rate of five cent-
s per ton.

The person operating the mine shall furnish
the Agent with sworn returns accounting for
the full quantity of merchantable coal mined
and pay the royalty thereon. If the coal min-
ing rights are not operated, such returns shall
be furnished at least once a year.

The lease will include the coal mining right
only, but the lessee may be permitted to pur-
chase whatever available surface rights may
be considered necessary for the working of the
mine at the rate of \$10 an acre.

For full information application should be
made to the Secretary of the Department of
Interior, Ottawa, or to any Agent or Sub-
Agent of the District.

would do their share toward the acquisition of money from the Wainwright constituency that will be needed by the general fund to aid the dependents of those men who are now fighting that awful fight on the battlefields of Europe and further east.

John Blue told those present that it was to aid the dependents of those fighting men and to place them in a position so they should not want, that the Canadian Patriotic fund was organized. On September last the organization started upon its second year. On the first day of that month about 20,000 families were on the list of beneficiaries, and it required over \$375,000 to meet their needs.

Although in the early months of the war, subscriptions to the fund were in excess of the demands made upon it, and a considerable surplus accrued, this latterly has not been the case, for since May these reserves have been subject to an ever increasing drain. Should the war continue another year there will be required during that period not less than \$5,000,000 to care for those entrusted to our care.

To be sure, we have no written contract with the soldier that we will continue to provide for his wife and children, but he has gone to the front with implicit faith that we will not repudiate our obligation, and this pledge must not be broken.

MANY FROM TOWN AT

But it was nothing so common for when the tumult was over and the young men and maidens, the old men and children began to pick themselves out of the debris, it was found that the several lines of improvised seats had collapsed and that their occupants had been wildly precipitated on the floor.

Although this item had not been included on the program it provided much merriment for those in attendance. The following numbers, all excellently given, completed the program of the evening: violin and vocal solo by Mrs. Ganerton, assisted at the piano by Miss Thomas, two vocal solos by Rev. R. K. Swenerton, reading by Miss Henry, poem by Miss Enid McLean, reading by Mr. Wilkie and an enjoyable dialogue by The Missed White and Anderson, Mrs. A. White and Messrs J. A. and W. White. Mr. J. W. Wood was chairman of the evening. Refreshments were served by ladies of the district.
